All ministers must be confirmed and in a valid Catholic marriage, recommended by the pastor, and approved by the bishop for a three-year term which is indefinitely renewable.

## COLD & FLU PRECAUTIONS

Our response to cold and flu should continue to be guided by recommendations from our health officials. During 'flu seasons', they are recommending extra caution which includes:

- ♦ Those who are feeling ill stay at home so as not to spread the disease;
- ♦ Increased vigilance in washing hands and not touching our own eyes, mouth, or nose;
- ♦ Coughing and sneezing into disposable tissues (and washing one's hands afterwards), or if none available, the inside of one's forearm to reduce spreading any virus;
- ♦ Getting the current flu and pneumonia vaccination;

Whenever there is a report of a disease outbreak, it is often asked if we would stop the shaking of hands at the Sign of Peace. However, that 'solution' ignores the fact that colds and flu are also airborne viruses. Those who are infected can spread such viruses simply through breathing, let alone sneezing and coughing. Also, if someone's hands are infected, then those hands also touch door handles, tops of pew, hymnals, etc... and spread the virus to those surfaces. If the touch of hands is to be excluded at the Sign of Peace to avoid 'contact germs,' then one would also have to refrain from touching *anything* in the church that those infected hands have also touched, which is nearly impossible to do. The absolutely best way for colds and flu to be kept from spreading is for those who have them to self-quarantine.

## REGISTRATION/CENSUS

Do you consider Mary, Mother of Jesus Parish "home"? Do you worship with us regularly? If you have not done so already, we ask that you please register in our parish. Forms for this purpose are available in the church or online at [www.mmjchurch.org](http://www.mmjchurch.org). Adult children no longer living at home and recently married couples are especially encouraged to register. In this way we can serve you better. It also facilitates sponsorship for baptisms and confirmations, religious education registration, etc.

## ANOINTING OF THE SICK

This sacrament should no longer be considered exclusively for the dying, as in "last rites". It is to be celebrated by and for those whose health has been seriously impaired by illness or old age. Anyone may be anointed before surgery or an invasive test or medical procedure. Elderly people may be anointed if they have become notably weakened even though no serious illness is present. The sacrament may be repeated if the sick person recovers after being anointed and then again falls ill or if during the same illness the person's condition becomes more serious. This is one more way that God imparts to each of us, and in particular at this time to the seriously ill and elderly his endless love and grace. Please contact Fr. Paul if you would like to be anointed.
