UPDATE by Fr. Paul

I met with the architect on Thursday, October 2 and signed the contract between us and the contractor, Bayou Rapides Corporation. The projected start date for renovation is October 20 with an expected completion of 8 and 10 months. The final cost for Bayou Rapides Corporation is \$1,094,915, and the cost of pew renovation/new pew construction is \$80,000, making the total cost of this renovation project \$1,174,915. This amount is inclusive of all items on our renovation list, e.g., new ceiling, new side windows, new flooring, etc.

While I understand we have exceeded our original goal by \$175,000, the finance council and capital campaign members agreed with me that it was best to complete the entire project as planned, relying on the guidance of the Holy Spirit and the traditional generosity of the parishioners of Mary, Mother of Jesus Church. As always, any and all questions should be directed to me by phone or email.
